## Al Muntazir Week - 2018

Friday 3<sup>rd</sup> August 2018 marked the end of the week long program that culminated in a colorful celebration during the assembly. This was witnessed by a number of SPA members and parents of participating children.

The theme of this year's celebration was *SOCIETY – Be the one who builds society for all*.

The program began with the recitation of verses from the Holy Qur'an followed by enlightenment on the activities carried throughout the week by the Principal.

The National flag and school flag was raised Mr. Shekmoun Halahala and Mrs. Shahista Hasham Hassam – our SPA members respectively followed by a brief talk by Mr. Shekmoun.

Group of children explained the illustrations on our school flag and sang a short rhyme on our 12<sup>th</sup> Imam (atfs) to whom this week was dedicated to.

The highlight of the program was the presentation by the children on occupation, cultures and festivals.

Added to the celebration was the LONG SERVICE AWARD to staff who have completed 10yrs, 15yrs and 20yrs of their service.
