# Open Day

***Attending an Open Day is a great way to find out more about a school and enable parents make the right choice for their little ones.***

The Al Muntazir Union Nursery School invited prospective parents to come and immerse in a unique event, designed specifically to give families a rich, first-hand experience of the School.

Parents had an opportunity to tour the facilities provided, check out the resources and interact with the school staff.

The school managing staff were there to help with any queries the parents may have about the school and learn more about the academic and non academic programs implemented at our school.

It allowed the parents to get an overview, as children are now ready for the 'big school'.
