Open Day is a wonderful opportunity for the prospective parents to discover the enriching experience a school can offer to their child and learn how a child can be inspired to achieve hi/her potential, in a happy and nurturing environment.

Al- Muntazir Boys Primary School held their Open Days 29<sup>th</sup> August and 5<sup>th</sup> September and response was overwhelming. Many new families came in to see the school. Parents gained an understanding of the school’s curriculum, infrastructure, and different facilities available at school.

Students work, uniform, course books were kept on display. Most of the parents left the place more enlightened on what the school can offer.
