Al Muntazir Islamic Seminary through counseling department hosted a Mini-University Fair with local universities and TCU-Tanzania Commission for Universities aboard.

Organized for both Al Muntazir and non Al Muntazir students, the full day program allowed the Form 4 and A level students to get the most valuable information from local universities representatives as well as TCU, through presentations and one to one interactions. Among many things, the following were highlighted:

- ii. (New) Roles of TCU, now that they are not involved directly with University applications
- iii. Important information for students holding foreign certificates, e.g. CIE, IB
- iv. Important information for students planning to pursue their higher learning abroad.

The following Universities took part in the Mini University Fair:

- iii. Muhimbili University of Health and Allied Sciences (MUHAS)
- iv. Hubert Kairuki Memorial University (HKMU)
