AL MUNTAZIR PRIMARY SCHOOL PARTICIPATE IN THE SPELLING BEE COMPETITION

Al Muntazir primary schools have long history of conducting intra school spelling bee competition annually with the aim of improving literacy, unlocking our children's imagination and developing key life skills such as confidence, teamwork, critical thinking and presentation.

This year our students got golden opportunity to represent Primary school at the national platform by participating in National spelling bee competition. The competition was categorized into the following categories

1. Sweet bee (Age 6-8 yrs) - 7 Students
2. Dasypoda (Age 9 - 11 yrs) - 11 Students
3. Andrena Bee (Age 12-15 yrs) - 7 Students

The Spelling Bee championship started on 11th November at Tanzanian national museum. Our top 25 finalist of intra school competition were registered for this event.

The first phase of this competition began with sweet bee round and Our seven boys gave a tough competition to the participants of various schools across Dar es salaam and finally Abbas Kassam grabbed second position in this category .

Dasypoda Bee round was conducted on 12 th November and Ali Ladak emerged as winner in this category.

The climax of this year's Annual Spelling Bee competition is expected to be on 18th November 2017 which will not only host the finals for the Andrena Bee Competition but will also include awards and certificates presentation to winners from all categories.

We would like to thank all the parents who on such a short notice accepted the children to participate and supported us throughout the competition.

Lower Primary Students all excited for the competition

Sweet Bee Round Top 3 Winners
